Trading Forex & CFDs is risky

You will receive an email from AI Tech, click the link inside it to 'Verify Account'.

Step 2: CopyX Registration

Log in to AI Tech: <https://aitech.ibportal.io>

Scroll down the page to click on "Register TagMarkets"

The screenshot shows a user profile for Claire Smith on the AITECH platform. The profile includes a balance field, profile link, and affiliate network link. Below the profile, there are three main sections:

- Tag Markets Registration:** A large banner with the text "Tag Markets Registration" and "To access all platform features, please register your Tag Markets account exclusively using this button. Registering through IBPortal ensures proper linking and synchronization between both accounts." A prominent red arrow points to a yellow "Register TagMarkets" button. Below this button is a warning: "DO NOT REGISTER DIRECTLY ON THE TAG MARKETS PLATFORM, AS THE ACCOUNT WILL NOT BE SYNCHRONIZED." The word "COPY-X" is displayed in large white letters on the right side of the banner.
- Bit1 Crypto Exchange (Coming Soon):** A section with the text "Trade and exchange cryptocurrencies securely." and a yellow "Register" button. It includes the Bit1 logo and a "More Information" link.
- BIX Wallets & Debit Card (Coming Soon):** A section with the text "Add an extra layer of security to your account." and a yellow "More Information" button. It includes the BIX logo and a "More Information" link.

Click to Sync your account.

The screenshot shows a browser window at the URL "aitech.ibportal.io/profile". A modal dialog box is centered on the screen with the following content:

- Header: "Welcome to TAG Broker" with a decorative icon of a star and dots.
- Text: "In this moment we are going to sync your account, please continue."
- Form: A "Password (Optional)" field with a masked password "●●●●●●●●".
- Buttons: "Cancel" and "Sync Account". A red arrow points to the "Sync Account" button.

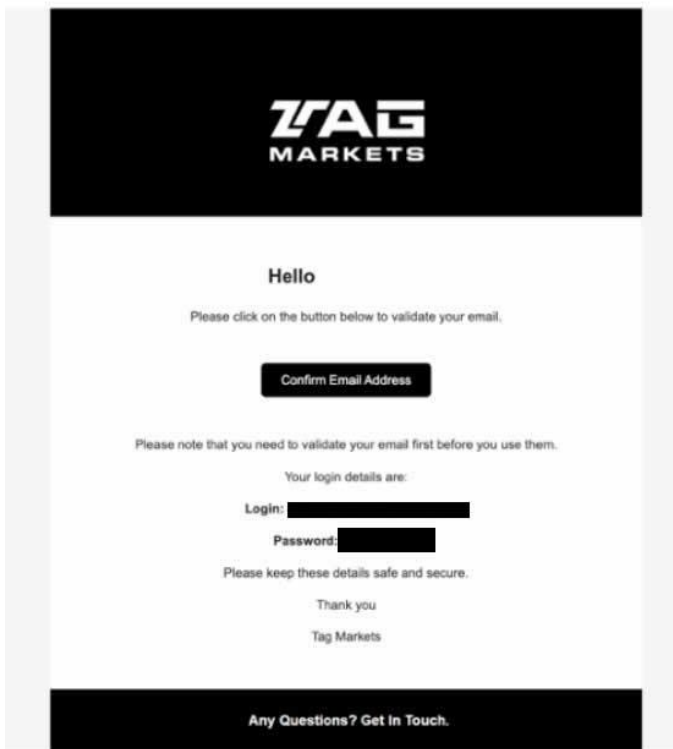

This is a close-up of the modal dialog box from the previous screenshot. It contains the following text and elements:

- Header: "Welcome to TagMarkets" with a decorative icon.
- Text: "In this moment we are going to sync your account, please continue."
- Buttons: "Cancel" and "Sync Account".

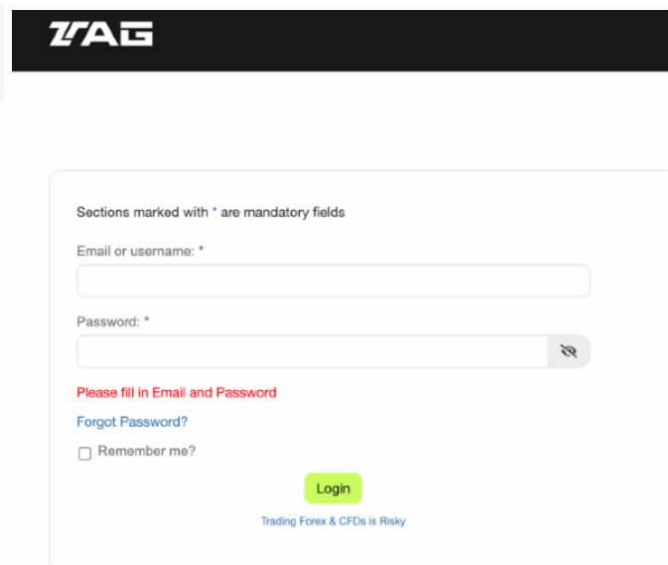

This is a close-up of the modal dialog box showing the successful completion of the sync process. It contains the following text and elements:

- Header: "Sync Successful" with a green checkmark icon and confetti.
- Text: "Your account has been linked with Tag Markets." and "You will receive an email from Tag Markets with instructions to complete the process."
- Button: "Close".

You will receive an email from TagMarkets, click the link inside it to confirm your email address. This email also contains your TagMarkets password.

Log in to TAG Markets: <https://portal.tagmarkets.com/login>

Complete the KYC (ID verification process).

Only after confirming all emails and completing the KYC will you be activated in the system!

Connecting to a Trader

After you have made your deposit (minimum to qualify for 24x: \$250) in your new trading account **do not do anything with your deposit, do not connect to anything!** Temporarily change your password (to something you don't mind us knowing), [click on this to let us know \(fill in the details\)](#) and **we will connect you to SONIC with 24x your deposit!**

Do not connect to SONIC **yourself** as this will set your connection to 12x!

Once the 24x connection has been made you can safely change your password again.

You can also top up your 24x connection at any time and it will automatically 24x your new deposit!

After you have been connected we will guide you through managing your investment.
